

Pre-Order Lunch Program

Groups of 6 people or more are encouraged to take part in our pre-order program for lunch. By removing the ordering stage of your dining experience, our focus is aimed at ensuring you make the most out of your lunch hour! As an additional bonus, the organizing guest will receive their lunch order for free, just for coordinating the group!

Here's how it works!

1. Make a reservation for lunch, mention that you will be pre-ordering
2. Download the PDF Pre-Order form from our website, along with our menu
3. Collect the orders from your group and record them on the Pre-Order form
4. Scan and email the Pre-Order form to *****@pinnacleatthepier.com
5. A confirmation email or phone call will be made from the restaurant that the pre-order has indeed been received
6. Come in, enjoy your company, and leave the rest to us!

Any questions or concerns regarding this program can be directed to the Michael Scott (Restaurant Manager) mscott@pinnacleatthepier.com.
